10. General remarks	The text gives the names of different <i>btsan</i> deities and the names of places associate with them, as well as the short narratives. The text has features reminiscent of early Bon literature, such as the works contained in the <i>'bum pa che</i> manuscript collection. Illustrations of different deities may be seen here, though it is not at all certain that these illustrations are intended to accompany this text: [V002_IMG_0805B] [V002_IMG_0806A].
