brother teacher
Blythe.

"Ruby Blythe - she was living at Eli Sinclair home once. He remove and was living at Emanuel Powell home. And now she is living at Perkins'. First she live at teacher cottage. She was sister of teacher Blythe. She is still teaching here."

"She is quite nice - beloved by everybody. She is not good looking - quite intelligent though; coloured-black. Boy friend? She hasnt got a boy friend. Boy friend dont find her."

Miss Blythe is loved by everybody, but she didnt find a husband here, neither a boy friend. Although intelligent she is ugly and dark. And besides there isnt an adequate man for her here, as boys have "no manners".

Miss Blythe is the sister of teacher Blythe who was the first promotor of the tomato industry in Bull Savannah. He left the place about 8 years ago - as he couldnt get along with Major Moxsy. Teacher Blythe works at present in Land Settlement. He has also political ambitions and people say he will put his candidature for the next elections.

"Teacher Blythe - he is O.K. I understand he bought a plot of land from John R.oye in Ridge. After him (John R.oye) succeed his grandmother land he sold it to teacher Blythe to make up for tomato and truck. Teacher Blythe is a good man.
