Mr. Nathaniel Carter rents 1 acre of land in All Sides. He rents the same plot from 1925. he says "It is very fruitful land". He cultivates there yam, bananas, sugar cane, sweet potatoes. "This side is cool it had plenty water". "We lead the water out and fork the land in a high bunk". He is also in the welling trade. He mends pans and cauldrons in sugar mills. He supplies his own material. He has his ustensils. He gets for it from 2/ to 14/ The highest price which he got was 14 sh. He charges according to the means of his clients. He says "Work according to the people - some people are very poor so of course...." - those he charges less. "We have to understand how to get to people"

He is the brother of Ruby Allen's mother. He is also the father of Ivan Carter son of Estella Adlam.

There was a dead tree below in the Wilson's Valley. He said it was cutting tree which was used for building canoes because it was light. There was a man in spring gardens who used to built canoes. But he is dead now.
