

Fragment of a papyrus scroll with Greek text. The text is written in a cursive hand and is partially obscured by a metal strip on the left. A prominent red ink mark is visible in the center-right section.

Fragment of a papyrus scroll with Greek text. The text is written in a cursive hand and is partially obscured by a metal strip on the left. A prominent red ink mark is visible in the center-right section.

Fragment of a papyrus scroll with ancient Greek text. The text is written in a cursive hand and is partially obscured by a central vertical crease. A prominent red ink mark is visible in the center of the fragment.

Fragment of a papyrus scroll with ancient Greek text. The text is written in a cursive hand and is partially obscured by a central vertical crease. A prominent red ink mark is visible in the center of the fragment.

Handwritten text in an ancient script, likely Pahlavi, arranged in approximately seven horizontal lines across the length of the parchment strip. The script is dense and characteristic of Sassanid-era inscriptions.

Vertical text on the right edge of the strip, possibly a marginal note or a reference to another part of the document.

Handwritten text in an ancient script, likely a form of Pahlavi or Old Persian, inscribed on a long, narrow, yellowish-brown parchment strip. The text is arranged in approximately seven horizontal lines, with some characters appearing to be in a different script or dialect than the main body of text. The parchment shows signs of age, including creases and discoloration.

Vertical handwritten text on the right edge of the strip, possibly a marginal note or a reference to another part of the document.
