Informants: Vincent Elliott (~~xxxx~~ half-brother of Ferdinand.)
and Moses Elliott (father)

Ferdy is an outside son of Moses with Francella Lewis, who is now dead. Ferdy went a couple of years ago to USA on contract labour. Moses is rather proud of him "he passes for white there". Ferdy wrote his father he is engaged to be married in the States. The wedding took place at Christmas. Ferdy intends to come to Bull Savannah soon and then go back to the States. Having a wife there he will be able to go "on his own" (i.e. not on contract in which case he is liable to return)

Neither father nor brother mentioned the Cl. wife Adelaide ~~xxxx~~ Sinclair. In the house where Ferdy used to live, lives his aunt.
